1. On September 30, 2007, Mr. Mahamedi called the examiner to discuss the case and its situation. Mr. Mahamedi requested the examiner not to issue either the office action or the Final Office Action. But this case is due at the end of this week so the examiner needs to send out the office action that requests the counsel to put on the record for those newly cited prior arts. Also, the examiner mentioned to the counsel that there are hundred of references that the applicants just submitted but there is no mention about their teachings at all. Counsel agreed to resubmit the new remark that will discuss at least 15 closest references. Examiner will not issue the Final Rejection at this point but Examiner reserves the right to issue it later.

In response to applicant's request regarding the last Office action and the hundreds of references, the following corrective action is taken.

The period for reply and a shortened statutory period for response to this action is set to expire 1 (one) months and 0 (zero) days from the mail date of this letter. Failure to respond within the period for response will result in **ABANDONMENT** of the application (see 35 U.S.C 133, M.P.E.P 710.02, 710.02(b)).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Krisna Lim whose telephone number is 571-272-3956. The examiner can normally be reached on Monday to Friday from 9:30 AM to 6:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glenton Burgess, can be reached on 571-272-3949. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
